Wisconsin Mandated Reporter - Reporting Requirements

What Does the Law Require You to Do?

“Immediately” report

By phone or in person

To Child Protective Services (CPS):

___________________________________ (phone)

___________________________________ (address)

__________________________    ________    ______________    (city, state, zip)

OR

To your local police or sheriff’s department: (you may have more than one option)

________________________________
(department)

________________________________
(phone)

________________________________
(address)

________________________________
(city, state, zip)

When you suspect

That a child

You have seen while doing your job

Has been abused or neglected

Or is likely to be abused or neglected.
