

Wisconsin Child Welfare Professional Development System's

2020 Virtual Applied Learning Communities

"I don't know about you, but this is my first global pandemic."

- Dr. Brene Brown

Times are uncertain. Every day feels like a race to keep up with changing news stories, latest updates, and the related anxieties. In your role as a Child Protective Service Professional, you now balance concerns for public health and child safety.

It is not the time to face these challenges in isolation. Come to the *2020 Virtual Applied Learning Community (ALC)* to learn how your colleagues in Child Protective Services (CPS) are finding the balance and taking aspects of their practice online. WCWPDS will facilitate virtual discussions and provide resources to support you as you continue to make a difference in these unprecedented times.

**Learn what we have in store for you!
