

Safety Service Provider Training

Are you a Safety Service Provider? Join us for a one-day training to explore your unique role with Child Protective Services (CPS), and the families it serves.

Come ready to explore foundational terminology and concepts used to describe child safety using the Wisconsin Safety Model. Learn what to pay attention to and how to communicate concerns with CPS.

Learning Objectives

- Define basic “safety language” in plain terms
- Explain the general role of the Safety Service Provider
- Identify circumstances for notifying CPS of concerns
- Integrate and apply training content
